

AHOTS MARCH 2026 HIGHLIGHTS

March is packed with great ways to connect, create, and get out together!

On March 23rd, tap into your artistic side for our second Japanese brush painting workshop led by our own Phil Shriver, talented member and retired art teacher.

We're heading back to Broadway on March 25th for a members-only outing to see *Buena Vista Social Club*! Keep an eye on your email for details.

We'll close out the month with a Lunch Adventure at Thai Cookery in Larchmont on March 31st. Delicious food and even better company.

We look forward to sharing a lively and memorable March with you!
